Mission, Vision, and Values

MISSION

West Portal Lutheran School is dedicated to educating and nurturing students as a whole in their faith and character development, social-emotional growth, and academic excellence in a Christ-centered environment.

VISION

Students at West Portal Lutheran School will be transformed by the gospel and confident in their God-given design for a purposeful life of learning, service, and leadership for the glory of God in our community and beyond.

VALUES

Love (1 Corinthians 13:4) “*Love is patient and kind; love does not envy or boast.*” Love is the foundation for how we engage others. We love others in the belief that each person has value, worth, and dignity.

Grace (Romans 5:2) “*Through [Jesus] we have also obtained access by faith into this grace in which we stand, and we rejoice in hope of the glory of God.*” Grace says that we are accepted in Christ despite our imperfections. Because of grace, we accept others just as Christ accepts us.

Integrity (Psalm 26:11) “*But as for me, I shall walk in my integrity; redeem me, and be gracious to me.*” We strive to do the right things at all times because we want to honor Christ in all that we do. We are honest, authentic, and driven by a clear moral compass rooted in God’s Word.

Respect (Philippians 2:3) “*Do nothing from selfish ambition or conceit, but in humility count others more significant than yourselves.*” Our community is a place where each person is heard and valued as being made in God’s image. We listen to each other, acknowledge each other’s differences and points of view, and we work through those differences with calmness and civility.

Schoolwide Learner Outcomes

Our schoolwide learner outcomes (SLO's) are objectives that allow teachers to measure student achievement in a specific and concise way and help us speak the same language when talking about growth and achievement. Welcome Message

Dear Parents,

Welcome to the 2022-2023 school year at West Portal Lutheran School!

One of our proud distinctions at our school is our strong commUNITY. West Portal Lutheran has always had the philosophy of educating “the whole child” - mentally, physically, and spiritually. The educational philosophy is to offer a high standard of traditional academic education, while teaching the Christian faith and values. Together as faculty, staff, church, and parents, we strive for a vision that will see our positive, healthy, and whole learners transformed by the gospel of Jesus Christ to live purposeful lives of learning, service, and leadership. This year, our theme is “Making Disciples for Life” from Matthew 28:19-20: *“And Jesus came and said to them, ‘All authority in heaven and on earth has been given to me. Go therefore and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, teaching them to observe all that I have commanded you. And behold, I am with you always, to the end of the age.’”*

Your partnership with us as parents is vitally important to provide a healthy and well-balanced environment for our children. The Parent Handbook is intended as a resource providing important information on various school and academic policies, as well as opportunities to connect more deeply with our school community. Please read the information carefully and thoroughly. We ask that you sign off that you have read the handbook and have reviewed the policies and expectations for student conduct with your child(ren).

Please contact our school administration at 415-665-6330 (Sloat Campus) or 415-731-3000 (Sunset Campus) with questions or requests for how we can support you. You can also email us at admin@wplsfc.com

Sincerely,

Ms. Sherise Lee
Interim Principal

School Communication

Our school has adopted ParentSquare, a form of school-to-home communication to keep parents informed and facilitate participation at school. It provides a safe way for the school principal, teachers, staff, and parents/guardians to:

- Send and receive school and class information
- Share pictures and files
- See calendar items
- Sign up to volunteer
- and much more . . . all in one centralized place!

Activating Your ParentSquare Account

New parents will receive an email invitation from the school to activate their account on ParentSquare.

Download the App!

ParentSquare has an app that can be downloaded to your mobile device as the best way to stay connected with the school.

FACTS Management

FACTS (<https://factsmgt.com/>) is our vendor for student billing (tuition Payment Plans and Incidental Expenses) and Grant & Aid Assessment (tuition assistance). FACTS offers security and convenience of payment processing and information technology to families, as well as greater efficiency and financial stability to the School, aiding the School's commitment to strive continually to improve our "business side."

Student Billing

FACTS provides families the following benefits:

- **Payment Flexibility:** You may choose among a number of installment plans and due dates. Automatic payments will be made from an account of your choice: a checking or savings account (no surcharge) or a variety of credit cards (a surcharge applies).
- **Payment Structure:** Each family makes a down payment or tuition deposit. For new students, this is paid upon acceptance to the School. For returning students, this is billed in May. You will choose the schedule for payment of your tuition balance, among the following:
 - One installment, in September (two payments total, including down payment/deposit)
 - Two installments, half in September and half in January (three payments total)
 - Eight installments, monthly from September through April (nine payments total)
 - Nine installments, monthly from August through April (ten payments total)
- **Quick & Easy Online Enrollment:** You will receive an invitation via e-mail (please check your spam folder and allow e-mails from FACTS) with information and a link to enroll via the FACTS web site.
- **Convenience & Security:** Along with multiple payment plan options, your payments are processed securely through a bank to bank transaction.
- **Consumer Account:** You may review your charges and balances in your FACTS billing account online from the convenience of your home or office anytime.
- **Comprehensive Billing:** An Incidental Expenses section of your FACTS billing account allows for billing and automatic payment of most other school fees besides tuition. This reduces or eliminates the need for writing checks to the School.

Grant & Aid Assessment

Achieving a balance between our educational mission and financial stability is a continual challenge. It is precisely for this reason that we partner with FACTS Grant & Aid Assessment.

FACTS uses applicant-provided data and a complex algorithm to provide a detailed analysis of a family's financial need. The school maintains decision-making control over tuition assistance awards. As always, we are committed to help you keep your child(ren) enrolled at West Portal Lutheran School in any way we can. We do not want any financial issue to come between your family and your child(ren)'s enrollment and success at WPLS. Please reach out to us should financial hardship or other special circumstances arise during the school year that may impact your ability to pay tuition.

School Policies and Procedures

Absentee Policy

Reporting Absence:

Please call the school office at Sloat (415-665-6330) or Sunset (415-731-3000) the day your child is absent before 8:45 AM. In this way, the school will know your child is safe and under supervision. You may leave a message on the school answering machine to report this absence as soon as you decide to keep your child at home. You may also report absences for the Sloat campus by emailing Carole.Leung@wplsfc.com. Absences for the Sunset campus may be emailed to Yoshie.Chan@wplsfc.com. If you do not contact the school by 8:45 AM when your child is absent, we will telephone you as a safety measure and a precaution for your child.

Participation in Co-Curricular Activities

A student who is not in attendance at school is not allowed to participate in any co-curricular activity that day. This includes, but is not limited to, games or practices for sporting events, all music ensembles, school competitions, and the Knowledge Bowl.

Absentee Homework Policy

Kindergarten: There is no homework for ill children in Kindergarten, unless there is a lengthy illness.

Grades 1-6: Please check with your child's teacher to see if homework is required when student is ill. Please request homework assignment sheets by 8:45 AM by sending an email to the teacher or by calling the school office. Requests for homework after 8:45 AM may not be honored. Thank you for giving the teacher time to gather this information. Assignments for students in grades 1-3 will be ready for pick up from the Sunset Campus office after 3:00 PM. Assignments for students in grades 4-6 will be placed on the shelf outside the Sloat Campus office after 3:15.

Grades 7 & 8: Teachers will have an assignment prepared. If a student does not have all his/her books at home, books will need to be picked up from the student's locker. Please come with your child's locker number and lock combination. Worksheets or handouts are not due the day

of your child's return, and they will be given a one day grace period. The student should write the word ABSENT and the ABSENT DATE on top of the sheet to remind the teacher that this is not a late grade. A student absent for two or three days will, upon returning to school, be given two school days to complete worksheets or handouts. A student absent four or five days will, upon returning to school, be given up to four school days to complete worksheets or handouts. A student absent for more than six days will consult with each teacher upon returning to school.

Tardy Policy

Arrival: No student is to arrive at school before 8:00 AM at the earliest on both campus sites. Exception—children enrolled in early morning care and under supervision. Students arriving before 8:00 AM should go to early morning care and be charged accordingly. Due to increased incidences of unexcused tardiness, school will officially begin at 8:25 AM daily. **After three (3) times of marked unexcused tardies in a quarter, the parents will be fined \$10.00 for each succeeding tardy.** Please note: Any child arriving after 8:25 AM will be marked tardy. All tardies will be recorded on the student's report card and cum file (permanent record).

At the Sloat Campus, students arriving after 8:30 AM should first go to the school office to receive a late slip to bring to their teacher.

Excused tardies: Transportation, car trouble, traffic issues, Doctor's, Dentist's, Orthodontist's visits. A note from parent/guardian or doctor is required. Tardies due to medical/dental appointments or infrequent transportation problems may be excused at the discretion of the teacher or school administrator. A note from the parent/guardian or health care provider is required.

Dismissal: All students, except those enrolled in a supervised program, must leave the premises immediately after school. Any student not in a program will be charged the drop-in fee for day care fifteen minutes after dismissal time.

Truancy Policy - Definition

Regular attendance and being on time are important factors for the success of students at West Portal Lutheran School. In accordance with California Law, any student absent more than 17 days or missing more than 30 minutes of instruction three times without a valid excuse during the

school year will be considered a truant. Once a student has been considered a truant, a meeting between the parent, teacher and administration will take place. Truancy or absenteeism can affect promotions and retentions.

Returned Check Fee

Although thankfully this does not happen often, occasionally a check is returned to us unpaid from our bank for such reasons as insufficient funds, a closed or invalid account, etc. A \$25 charge will be assessed to the check maker in these instances.

Discipline Policy

West Portal Lutheran School is dedicated to providing a Christ-centered education which focuses on the child's spiritual, physical, social, and academic development.

In agreement with God's Word, good discipline is an important and necessary aspect of Christian living. Discipline will be carried out in the spirit of love and concern for the welfare of the child and all other children in the school community. The School Board holds its Principal, Assistant Principal, and Faculty responsible for good school discipline, as a learning atmosphere is dependent upon it. However, the parents of each child must accept the first responsibility for training their child in the discipline and instruction of the Lord. Therefore, Christian attitudes such as fair play, respect for authority, obedience to classroom rules, and compassion and sensitivity toward others are to be expected at all times. The School Board has adopted the following policies to which all parents of school children must agree.

Parental Guidelines

Parents should set an example at home by guiding and correcting children in regard to their choice of language, reading habits, and wise use of leisure time, including the appropriate use of the internet and social media. Parents should address any concerns regarding discipline at school with their child's teacher. If the concern is not resolved satisfactorily, an administrator will be asked to assist in the resolution of the problem. No parent should discipline another child on the school premises or at any school-sponsored activities. The teacher or administrator will resolve the situation as soon as it is brought to his/her attention.

Teacher Guidelines

The teacher will handle the discipline within his/her classroom according to the discipline expectations as posted in the classroom and discussed at the “Back to School Night” each Fall. When it is necessary to inform parents concerning discipline matters, an “Incident Notice” will be sent home or a phone call will be made according to the following policy:

Incident Notice

An “Incident Notice” will be used for disobeying classroom or yard rules or for being unprepared for class work. Uniform regulations, as well as arrival and dismissal procedures, are included in this category.

The consequences for such may be as follows:

- Consequences as determined by teacher or supervisor
- Call home to parents/guardians
- Trip to Administrator’s office

In addition, the child will have a discussion with others involved in the incident, with the teacher/supervisor serving as moderator. If warranted, the child will have the loss of a special privilege to include and not be limited to class parties and field trips.

A phone call and/or email to parent/guardian will be made for:

- Physical aggression
- Disrespect for authority
- Profane language
- Lying
- Stealing
- Cheating
- Defacement of school property, refusal to abide by classroom procedures
- Inappropriate use of technology or social media

In any instance of physical harm, parents will be required to pick up their child immediately.

Immediate dismissal (Suspension, Expulsion) from school is for behavior that is detrimental to the health and safety of other children, for the bringing to school of knives, guns or any type of

instrument and/or materials that could be potentially dangerous as well as the possession or use of alcohol or drugs on school premises or at any school function.

 - *Grade K-5:* Cell phones must remain in backpacks for the duration of the school day.
 - *Grade 6-8:* Cell phones must be locked in their lockers for the duration of the school day.
 - All electronic devices, with the exception of those designated for learning, such as iPads and Chromebooks, are not to be used at anytime during the school day or extended care. Smart watches may be worn, but used only to keep the time.
 - School iPads/Chromebooks may not be brought outside on the playground during recess or lunch.
1. The first infraction with cell phone/smart device misuse use will result in the phone being confiscated and given to the Principal who will issue an Incident Notice.
 2. The second infraction with cell phone/smart device misuse will result in the device being confiscated and given to the Principal who will issue a Detention. (See [previous section](#) on *Detentions*)
 3. Subsequent infractions will result in students checking in their phones or smart devices to the school office at the beginning of the day with no exception.

West Portal Lutheran School will not be responsible for lost or stolen cell phones or smart devices. Replacement costs for any electronic device will be borne by the student.

Student Internet Safety and Responsible Use Agreement for Technology

Students are expected to use WPL technology resources in ways that are consistent with the mission of the school.

Each student must have a completed Student Internet Safety Policy and Acceptable Use Agreement for Technology on file, stating whether or not he/she will abide by West Portal Lutheran School's Internet Safety Policy and Responsible Use Agreement for technology resources. Signatures of students and parents/guardians indicate an agreement to comply with WPL standards and honor the agreement they have signed.

Access is a privilege — not a right. Access entails responsibility and is only for WPL educational and business purposes. Students are individually responsible for their behavior when using the WPL technology resources.

West Portal Lutheran School Technology Resources include the following:

- All computers and peripheral equipment purchased by WPL
- All iPads purchased by the school
- The WPL network, including wireless networks, local area networks, and network connections to remote sites
- All software purchased or leased by the school, or running on school resources. This includes, but is not limited to, email, web browsers, and file exchange software
- Any shared service provided by the school for use by students, the telephone system, including voicemail; school-provided access to the Internet

Technology offers many opportunities for instructional purposes as well as personal interest and development. It can be a powerful and positive tool when students use it with competence, conscience, and compassion in a safe and supportive environment. The school has ZERO TOLERANCE for cyber bullying and/or online harassment. For such infraction a student will be immediately suspended and/or dismissed from school.

Ethical Use

- Cite and properly document all sources, including images, audio, and video files used for all school assignments.
- Demonstrate respect for federal copyright laws; avoid illegal installation or transmission of

copyrighted materials.

- Use your own words and represent your own views, not those of others, in any form of electronic communication.
- Send email using your own account; never send email impersonating another student.

Security and Privacy

- Protect the security of your email account by not sharing your passwords with anyone (except teachers and parents). Passwords are confidential.
- Safeguard your personal contact information and that of other students; never share personal information on the Internet without parental approval.
- Limit your use of location services and “check-ins” on social networks and apps to protect your privacy and safety.
- Request permission before taking pictures or recording others, in class or anywhere on campus.
- Be aware that the transmission of any file or communication via email or over a wi-fi network, is not guaranteed to be secure.
- Respect the privacy of other students’ accounts, files, and data. If you suspect that your account has been compromised, contact the IT department immediately.

Good Judgment

- Be your “best self” when using the Internet: avoid accessing or distributing materials that are offensive or threatening to others.
- Remember that anything sent via email, text, or posted online can be saved or forwarded and remain on the Internet beyond your control; use good judgment to avoid embarrassing yourself or others.
- Speak with a trusted adult if you or a friend receive any communication (text message, email, or post) that is inappropriate or makes you feel uncomfortable.
- Help keep the school’s network functional by avoiding mass emails (spamming).
- Enjoy the recreational uses of technology responsibly.

Students should be aware that all WPL technology resources are the property of the school, and the school reserves the right to access all messages or documents composed, sent or received on these systems. For example, school emails can be reviewed in cases of harassment.

Specific Policies

Installation of Software

Students are not allowed to install software on school devices.

Equipment Loaned for Student Use

The school has iPads, Chromebooks, wireless keyboards, headphones, and other equipment that are loaned to students for school projects through the computer lab. Students accept responsibility for any equipment borrowed from the school, and will be billed for any items not returned.

Email Guidelines

Email is an important form of communication. Students are expected to check their email daily because teachers and coaches interact with students via email. Use of school email accounts is permitted and encouraged.

Below are general email guidelines to follow:

- a proper greeting or salutation (e.g. Dear Mr. Smith)
- a subject line that clearly states the purpose of the email
- a proper ending or signature ("Sincerely," for example)
- be concise but thorough
- remember that emails can be misinterpreted; choose your words wisely
- protect yourself from identity theft by not emailing passwords, Social Security numbers

Disciplinary Action

Students should be prepared to accept disciplinary consequences for any technology-related choices they make which are not in line with the mission and vision of the school.

Because WPL cannot control information from the Internet, it and its employees will not be held accountable for any claims, liabilities, demands, causes of action, costs, expenses, or obligations of any kind, known or unknown, arising out of or in any way relating to your own or your child's use of the Internet.

During school, teachers and staff will guide students toward appropriate materials. Outside of school, families bear the same responsibility for such guidance as they use information sources such as the Internet, television, telephones, movies, radio, and other media. Please know that the WPL faculty and staff will do all in its power to protect its students from misuse of the Internet. However, it is still the responsibility of the student to comply with this Policy Agreement.

Honor Code

Academic Honor

At West Portal Lutheran Elementary School, students are expected to act with dignity, honesty, and integrity in their academic studies.

Cheating

Cheating is taking credit for any work that is not one's own. Specifically, cheating can include:

1. Copying answers from another student on tests, quizzes, or homework.
2. Giving answers to another student on tests, quizzes, or homework.
3. Comparing answers on tests or homework.
4. Using hidden reference sheets (cheat sheets) in any way.
5. Giving or obtaining test questions to other students after a test/quiz.
6. Allowing one's parents to do one's homework. Parents can guide students with homework.
7. In group work, taking credit for work that one did not do.
8. Submitting a paper either purchased or copied from any source.
9. Including ideas, sentences, phrases, paragraphs of another writing without giving credit.
10. Unauthorized changing of grades or markings on a test, quiz, or any grade report.
11. Unauthorized possession of tests, quizzes, worksheets, etc. not belonging to the student.
12. Lying to an instructor to improve one's grade.
13. Forging a parent's signature

The role of parental support in a child's achievement and ethical development:

Parents should not push a child beyond that child's limits with their own expectations or aspirations. Many times students make bad decisions because the pressure to excel is greater than their ability to meet the expectations. If a child is caught cheating and parents are called, parents are asked to please remember that this is a learning experience and to help that child to accept the consequences for his/her inappropriate actions.

The faculty and staff at West Portal Lutheran School are committed to strengthening a child's performance through the cooperative efforts of child and parent(s).

Academic Eligibility Requirements for Extracurricular Activities

Academic eligibility is required to participate in all school and church extra-curricular activities, including:

- After-School Sports (CYO leagues, tournaments, post-season play, track and field)
- Music programs (choir, handbells, orchestra, concerts)
- Drama/musical plays
- Yearbook
- Student Council

A West Portal Lutheran student in grades 4 through 8 shall not have one grade of D+ or lower in any core subject (English, Mathematics, Social Science, Science, Foreign Language and Religion) at the end of any quarter. If a student does receive one grade of D+ or lower, he/she is academically ineligible from participating in extra-curricular activities for the next full quarter. If the student's grades improve after one quarter, he/she may resume extra-curricular activities.

- If a student is under performing in class, the child's teacher will contact the parent.
- The teacher will also contact the athletic director and school administration.

To help our faculty and administration, each extra-curricular activity supervisor will submit a roster to be distributed and updated as needed throughout the school year. This will help our faculty and administration identify all participants. When a child is academically ineligible to participate in an extra curricular activity, the teacher and/or administration will first notify the child's parent (not the child) and then the supervisor of that particular extra-curricular activity.

Honor Roll Grades 6-8

The Honor Roll is recognition for those students in grades six, seven and eight who have accomplished exceptional academic achievement. Those students receiving straight A's for the quarter will have their names posted on the honor roll. Students who have been on the Honor Roll for three out of the four quarters will be honored at the Academic Awards Assembly.

Straight A's are defined as an A or A- as the grade for the quarter. Any student receiving two or more detentions or a citizenship grade of S- and/or N from two or more teachers, in any quarter, will be disqualified from membership on the Honor Roll.

Qualifying Subjects for Honor Roll

Academic Referrals (Grades 6-8)

At mid-quarter and the end of the quarter, the Middle School Counselor will review student progress reports (via Gradelink) and reach out to families whose child is receiving a D+ or below in any subject.

Promotion Guidelines and Retention Policy

Research has identified that the setting of high expectations for school performance is an important ingredient in a quality education. Any student enrolled at West Portal Lutheran School should be able to successfully pass the subject courses at that grade level.

Since each teacher is genuinely interested in the total physical, mental, social, and spiritual development of every child entrusted to his/her care, the teacher will direct, guide, and instruct each pupil so that promotion to the next grade is possible. Therefore, a child who has attended classes regularly and achieved a satisfactory learning rate according to his/her individual ability in accordance with the minimum standards set for each grade level will be promoted to the succeeding grade. However, if a decision to retain a child is made, it will be done in consultation with the child's parents, teacher, and an administrator. Consideration shall be given to the child's chronological age, mental, social, and physical development, and academic achievement.

Consideration for retention may be based upon the teacher's or parents' recommendations, or failing grades. At all times, the overall welfare of the child shall be of utmost importance.

If the parent in question disagrees with the current classroom teacher's assessment of a student, the parent and teacher will present the facts to the Retention Review Committee. This committee will consist of one administrator and two teachers. These teachers will represent the grade level above the student's grade and the grade level below the student's grade. The Retention Review Committee reviews all facts and either supports or reverses the current classroom teacher's decision.

The procedure for this review is as follows:

- The child's family and teacher will meet together with the Retention Review Committee.
- Each party will have a chance to speak without interruption.
- The committee will discuss the matter privately.
- All parties will receive a copy of the Retention Review Committee report.

Student Information System

Gradelink is a cloud-based school management solution that helps connect teachers, students and parents through a single interface. Key features include student enrollment management, attendance report generation, grade and attendance tracking and report card printing.

All parents will receive an email with information on how to sign up for an account. Once you have created an account, please follow the instructions below:

To log into Gradelink go to www.gradelink.com and click on the Login button at the top right part of the page. This will take you to the login page. Enter your school ID, username, and password, and click on the Login button.

Student Records Policies

Administrators shall take care to preserve both the integrity and the privacy of the required school records. These records should be retained permanently at the school site. Each student's permanent cumulative record must include the minimum permanent personal data necessary for operation of the educational system such as: directory information, academic work completed, grade or level placement, enrollment and attendance data, standardized test results, discipline and permanent health record. If applicable, a copy of any court orders relevant to custody rights must be submitted to the school office.

The principal shall have a readily accessible file containing emergency care information for each student. Emergency care information shall be available to all faculty and staff.

1. The parent of a student may file a written request to the principal to correct or amend any information in his child's permanent records which he/she alleges to be: inaccurate, an unsubstantiated personal conclusion of inference, and/or a conclusion of inference outside of the observer's area of competence, or not based on personal observation.
2. If the request is denied, the parents shall be given an opportunity to present evidence relevant to the issue raised. This should be done in a meeting with the principal or designated school official. After the hearing is concluded, the principal or official shall inform the parents in writing concerning the conclusion reached.
3. If the decision is not to amend according to parental request, the parents shall be informed of their right to place in the student's records a statement commenting upon the information in the records and/or parental reason for disagreeing with the decision. If the contested portion of the record is released, the parental comment must also be released. The school must comply with a court order to release information concerning a student. However, the student's parent should be notified in advance of compliance if it is lawfully possible within the requirements of the judicial order.

Access to Student Records

Parents of currently enrolled or former pupils have an absolute right to access any and all pupil records related to their children, which are maintained by school districts or private schools. The editing or withholding of any such records, except as provided for in this chapter is prohibited. (Education Code 49069)

Via the Parent Handbook the school shall fully inform parents of their right of access to their child's records and of the procedures for review of student records. The school has 15 days to comply with requests to inspect student records, but should make every reasonable effort to comply with dispatch.

School personnel shall have access to student records for legitimate educational interests only. The student records may not leave the grounds and prudence must be exercised that the Family Educational Rights and Privacy Act of 1974 is not violated.

Designated clerical staff shall have access to student records for the purpose of making entries or maintaining records, under the supervision of the principal.

Procedures for Challenging the Content of the Record

Challenges to the content of the record are concerned with the correction of data in the student record, not with substantive decisions on academic grades. These challenges are to be settled through proceedings at the school.

Each school shall maintain a record with the education records of each student, which will indicate all parties who have obtained access to a student's records. It will indicate the legitimate interest that the eligible party had in seeking the information and it shall be available only to parents of the student and to school officials responsible for maintenance of the records.

Release of Directory Information

The school is never permitted to furnish a list of student names and addresses to be used for commercial purpose nor shall the school allow photographs for publication without parental consent.

Release of Student Records Information to Schools

Student records shall be released as soon as possible to requesting schools. Parental signatures shall be required before records are sent to anyone. Typically, the requesting school has had the parent sign a consent form and West Portal Lutheran School receives an official transcript request.

Release of Records to Persons or Agencies Other Than Schools

The school may not, without the written authorization of the parents, permit access of or release written transcripts to any person or agency. An authorization shall be in writing, signed and dated by the person giving consent. It must specify the records to be released, the reasons for the release, and the names of the parties to whom the records will be released.

Extended Care Policies and Options

West Portal Lutheran School offers affordable before and after school extended care options for families. You may choose to pay as care is used or sign your child(ren) up for one of our unlimited care options.

Some great features of our system and unlimited options are as follows:

- Convenient fixed monthly bill
- Ease of budgeting
- Automatic electronic payment via your FACTS billing account
- Closer match of payment dates and dates of service for purposes of receipting for FSA reimbursement or tax credit
- No paper punch cards to keep track of

Pricing (per child) (total annual cost and monthly cost, billed for nine months, August through April):

Unlimited EARLY MORNING care only:	\$600.00 (\$66.67 per month)
Unlimited AFTER SCHOOL care only:	\$1,800.00 (\$200.00 per month)
Unlimited EARLY MORNING & AFTER SCHOOL care:	\$2,160.00 (\$240.00 per month)

These pricing plans work out to as little as \$3.33 per hour for early morning or after school care only, and \$3.00 per hour for both (based on maximum number of hours used and 180 school days).

How to Sign Up

Visit www.wplsfc.com/extended-care and click the “Register Here” button. Complete each page of the Google form and click the “Submit” button at the bottom of the third page. Your complete contact information will be required to verify billing accounts and to contact you with any questions.

Drop-in Rate

Our unlimited plans are optional. You may still send your child(ren) to extended care occasionally. Their check-in and check-out times will be logged and we will bill you via FACTS approximately monthly.

The rate for drop-in care before or after school is **\$5.00 per hour**. Billing will be in **half-hour increments** (\$2.50 for each half-hour or fraction thereof). One of our unlimited options may benefit you if you send your child(ren) to extended care an average of at least 3.5 hours per week for early morning care or 10 hours per week for after school care (based on 180 school days).

Changes and Refunds

You may start or stop unlimited care at any time during the school year and your charges will be prorated. They will, however, be prorated by months used, or fractions thereof, rather than days.

Like tuition, there are no refunds of payments made for unlimited extended care once they are remitted (which is one reason we will bill all extended care monthly rather than annually or semi-annually). Please plan accordingly. We do not recommend paying for a full year of unlimited extended care in advance unless you are certain your child(ren) will use it. There is no discount for early payment of unlimited extended care.

Early Morning Care (EMC)

EMC begins at 7:00 AM. At the Sunset Campus, enter through the door facing 37th Avenue off the Playground. EMC at the Sloat Campus is in the Gym. Any child who arrives at either campus before 8:00 AM must go to EMC. In the morning, the school day begins at 8:25 AM, but we accept children for drop-offs beginning at 8:00 AM, without charge for EMC. There is a five-minute grace period, so if you drop off your child(ren) at or after 7:55 AM, you will not be charged for EMC. We must charge for any drop-off prior to 7:55.

Because of this time frame, we will consider EMC as lasting no longer than one hour. Therefore, EMC at the drop-in rate will be \$2.50 for any child who is not enrolled in an unlimited plan and who is dropped off between 7:30 AM and 7:55 AM, and \$5.00 if dropped off prior to 7:30 AM.

After School Care (ASC)

School ends at 2:45, 3:00, or 3:10 PM, depending on grade level. Students not in an after school program that day are expected to be picked up by the end of traffic duty. If they are, then there is of course no charge. Any child still on school premises after the end of traffic duty will be placed in ASC. Furthermore, that child is considered to have been in ASC from the designated beginning time for ASC. They have been under the care of the school, whether it be teachers, support staff working traffic duty, or extended care workers, from the end of school. After school care charges are therefore incurred from 3:00 PM at the Sunset Campus and 3:15 PM at the Sloat Campus, regardless of when your child is “signed in” by an ASC worker. Half days on which ASC is available will have different times for the beginning of ASC, but the same principle applies. Also, please note for drop-in billing that anything more than 5 minutes longer than a half hour increment will be billed as a half hour, according to the “fraction thereof” policy.

An ASC staff member will take roll every day, and parents must sign out their child(ren) when picking them up. Students must be picked up by 6:00 PM at the latest. Failure to do so will result in a fine equivalent to the cost of three hours of ASC at the drop-in rate of \$5.00, for a total of \$15.00. This fine is per family per day per campus.

Phone Numbers For AfterCare

Between the hours of 4:00 pm and 6:00 pm only, our After-school Care Supervisors will be able to receive incoming calls concerning our After-school Care students and emergency changes in planned pick-ups.

Students Waiting For After School Enrichment, After School Music Program, and Sports

No students will be permitted to be in the upper yard or gym (unless a sports practice starts at 3:30 PM). Students waiting for a sports practice to begin must report to ASC. They must be under the supervision of ASC workers until practice begins. Students waiting for a music lesson or other school-sponsored extracurricular activity should also report to ASC if it does not begin promptly at 3:30 PM.

There is no charge for students in ASC while waiting for an extracurricular activity to begin. However, if a student returns to ASC after an extracurricular activity, the usual charges for ASC, as outlined above, will be due.

Drop Off and Pick Up Procedures

Drop Off

Be sure your child is ready to leave the car before you pull up into the white pedestrian zone. Have his/her jacket, backpack and lunch close at hand, not in the trunk of the car. Last minute instructions to your child should be given before you pull up.

Pick Up

Teachers will bring the students to the yard and have them seated on the concrete by class. A car sign with your child's name and grade will be given to each child at the beginning of the school year. Please have your car sign in your window as you enter the white zone.

SUNSET CAMPUS

- When dropping off or picking up your child, please enter our white zone by driving up Moraga Street and making a right hand turn onto 37th Avenue. Do not enter the white zone from any other direction (i.e. straight down 37th Avenue from Lawton or making a left onto 37th Avenue). As a courtesy to drivers behind you, turn on your emergency blinker lights.
- Parents must NEVER double park or PARK in a non parking stop, including the corner, to pick up or drop off children. This is a very dangerous practice with children so young and drivers who are in a hurry.
- Always use the crosswalks at the corner.
- Please do not make any U-turns in either the middle of 37th Avenue or Moraga Street or in the intersection of 37th Avenue and Moraga Street.
- Please have your child ready to exit through the back door on the passenger side. This will expedite a more efficient traffic flow. If your child is not ready to exit your car please do not enter the white zone and instead, park your car and walk your child to the school gate.
- Please do not park in the white zone and leave your car during morning drop-off or afternoon pick-up time frames.

SLOAT CAMPUS

- When dropping off or picking up your child, please pull into our white zone on Sloat Boulevard by turning on your emergency blinker lights. Drive all the way to the end of the white zone, beyond the crosswalk (as long as the crosswalk has been cleared of pedestrians).
- Do not park in the white zone and leave your car during morning drop-off or afternoon pick-up time frames. For pick-up, please do not sit in your car in the white zone for more than a couple of minutes. If your child is not at the top of the hill and coming to your car, please go around the block.

- Students should never exit a car from the driver's side. They should always exit from the curb side. This applies to Beachmont Drive as well as Sloat Boulevard.
- Please do not jaywalk – for your safety, always use marked crosswalks. Cross Sloat Boulevard only when instructed by the crossing guard.
- If the school traffic (from Saint Francis Circle) begins to block the exit from West Portal Ave, please continue in the left-hand lane and go around the block again. We cannot block the intersection or exits. Help us to remind your student(s) to pay attention and watch for your car.
- Do not double park on Beachmont Dr. Do not park in the driveway/block the resident driveways.
- Do not leave your car unattended at anytime when you are waiting in line for your student.
- Do not block the driveway to the Scottish Rite Masonic Center or stop in the red bus zone area to pick-up your student.
- If you have children at both campuses, picking up students at Sunset first will help you avoid the heaviest traffic congestion at Sloat.
- To avoid the greatest congestion in the afternoon, come closer to 3:25 p.m.

Hot Lunch Program - Choice Lunch

Parent Participation Program (PPP) and Co-Op

Parent involvement provides positive reinforcement for children and shows how important it is to partner in a child's education. Children whose parents are involved generally have higher grades and test scores as well as more positive attitudes and behavior. Schools benefit from parental involvement in that there are long-term improvements in academic achievement, more successful school programs, and more effective schools.

Researchers have found that effectively engaging parents and families in the education of their children has the potential to be far more transformational than any other type of educational reform. Researchers have identified several types of parental involvement in their children's education – including serving as teachers and preparers, learners, volunteers or community collaborators, as well as participating in school-home communication and getting involved in the decision-making processes.

There are many ways parents at West Portal Lutheran School can help their children in the educational journey. It is our goal that our Parent Participation Program will not only benefit our students, but it will give you, the parent, a sense of ownership in your child's education.

Our expectation is for parents to be actively involved in their child's education. Our parent volunteers are vital in allowing such programs as our hot lunch program, class parties, field trips, and our after school sports program to exist. It is the policy of West Portal Lutheran Church and School that parents (or custodial adults) participate in the maintenance and upkeep of school facilities, in the Parent Teacher League (PTL) and in other nonacademic events which enhance the learning and life of the children. This time is called Co-op hours and PPP hours. PPP and Co-op hours may not be carried over from year to year. PPP and Co-op hours are non-transferable from one family to another.

Our Parent Participation Program requires the following:

- **A family with one child enrolled in the school** – 20 hours per year, which includes 2 Co-op hours
- **A family with two or more children in the school** – 30 hours per year, which includes 2 hours of Co-op for each child enrolled

All PPP hours not completed are billed at \$15.00 an hour and all Co-op hours not completed are billed at \$25.00 an hour.

Co-op is primarily for the maintenance and upkeep of your child's school facilities, excluding school bathrooms and Fellowship Hall kitchen. PPP is primarily for School functions (room parent, field trips, coaching, etc.) and for PTL functions (Board member, events chairpersons, fund raisers, etc.). The Principal will determine and publish which activities will earn PPP hours at the beginning of the school year. Hours are recorded by the classroom teacher upon completion of an activity. Records will be kept in the Sunset campus office under each family's name. PPP and Co-op hours cannot be earned when contracted work is done and payment is made for the work.

FIELD TRIP GUIDELINES FOR ADULT CHAPERONES

Thank you for being a chaperone on this field trip. Your responsibilities as a chaperone are as follows:

1. This field trip has been scheduled to provide learning opportunities and enjoyment exclusively for the students in the class that you have been assigned to. As such, no siblings or other family members or friends, of any age, are allowed to accompany you on this field trip.
2. Your total attention must be given to watching your assigned children who must be next to you at all times. Listening to the teacher for instructions is very important. This means that social conversations may occur if the children are being watched at the same time, but never while crossing streets, boarding public transit, etc. We understand that many of our chaperones have professional commitments; however, we ask that you strictly limit the use of cell phones to emergencies only.
3. For the safety and well-being of our students, it is of critical importance that all adult chaperones be able to fully understand and respond to instructions given by teachers, hosts, transit operators, emergency personnel, etc. As such, while we have great respect for the ethnic and cultural diversity present in our school, we must insist that every adult chaperone be able to effectively communicate with all children and adults in attendance at school field trips.
4. No child is to be rude or disrespectful to an adult. If you have any problems with your assigned students, please go to the classroom teacher immediately so that the child may be corrected.
5. Be sure that you are next to your group when you enter or exit the Muni, and you should be standing with your students during the ride to and from school.
6. Please, do not bring any treats or goodies on the field trip, nor purchase anything for the students on the field trip.
7. Per school policy, student cell phone usage is not allowed in the classroom or on any field trip.

If we all abide by these general rules, we will be providing as safe an environment as possible for all of our students.

I have read and understand the field trip guidelines for adult helpers. I will do my best to keep the children safe and help when needed on the field trip.
