

After-School Basketball Program Spring Session

Become a better Shooter! Shooting is one of the most important aspects of creating a well rounded basketball player. Every team needs someone who can spread the floor and shoot the basketball. Students will learn the basics of shooting focusing on Base, Balance, Energy Transfer, and Follow Through. We will get a ton of repetitions focusing on quality over quantity.

Space is Limited! Only 20 spots per class! Registration opens March 11th and ends March 22nd. Classes will begin the following week on March 27th. Please fill out the registration form below to join the class.
