

“Art Studio for Kids”

Join in the fun! We will draw, paint, print, and sculpt! The children will create masterpieces using clay, tempera paint, watercolor, pastels, and a variety of craft materials. All art materials, supplies & smocks are included in the tuition.

Together we will get to know great art and artists both past and present! Art time also helps children develop concentration, problem solving, observation and motor skills. It also promotes self-expression and creativity all while having fun!
